07. OUR PARTNERS & BRANDS

Provider is a Saudi-based lighting supply company serving the construction and development sector. Formerly known as Two Touch, our company has grown to become a trusted partner for delivering high-quality lighting solutions across residential, commercial, and public projects in Saudi Arabia.

With over a decade of market experience, we work closely with consultants, contractors, and developers, combining local market insight with direct access to leading international brands. Our rebranding to Provider reflects our evolution and deeper commitment to providing value, reliability, and long-term project success.

- **Proven Market Experience**

Over 10 years in Saudi Arabia's lighting supply market.

- **Reputable Client Base**

Trusted by ministries, municipalities, developers, and consultants.

- **Reliable Global Partnerships**

Direct sourcing from Europe and Asia.

- **Project-Oriented Approach**

We understand the nature of construction timelines and technical specs.

- **Flexible and Fast**

Adapted logistics and supply processes.

- **Value Without Compromise**

Competitive pricing with high standards

To be the preferred choice of partners in the construction and development sector by providing reliable and value-added lighting solutions that enhance their project success.

هدفنا هو أن نصبح الخيار المفضل لشركائنا في قطاع البناء والتطوير، وتعزيز نجاح مشاريعهم من خلال تزويدهم بحلول إضاءة موثوقة وقيمة.

To enable our partners in the construction and development sector to access high-quality, value-added lighting solutions through a seamless and professional experience.

الرسالة تمكين شركائنا في قطاع البناء والتطوير من الوصول إلى حلول إضاءة عالية الجودة وذات قيمة، من خلال خبرتنا الفنية وحرصنا على تقديم تجربة توريد احترافية وسلسة.

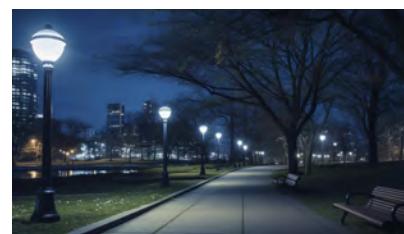

Provider delivers a wide range of lighting solutions that meet the needs of various project types — from residential units to commercial complexes, hospitals, hotels, schools, and public infrastructure.

Our product offerings include:

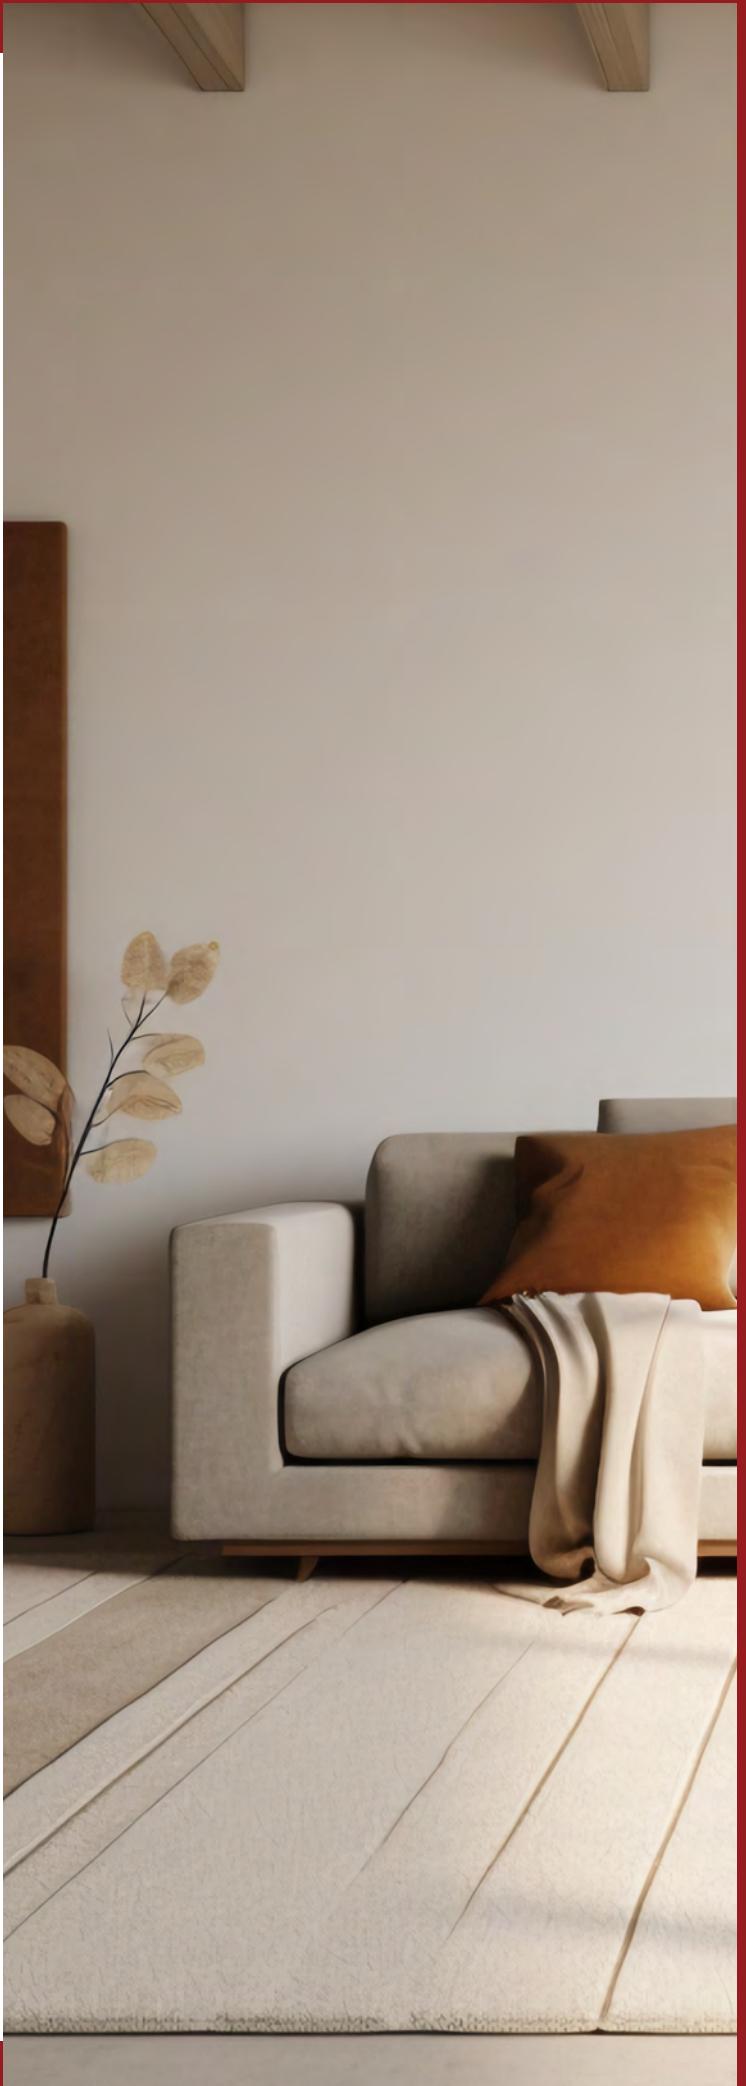

- Architectural Indoor Lighting
- Outdoor & Landscape Lighting
- Street & Urban Lighting
- Emergency & Exit Lighting
- LED Strips & Linear Profiles

All our lighting solutions are designed for optimum compatibility with advanced smart control systems and energy management platforms, ensuring seamless integration and exceptional performance.
